SHRI SHIKSHAYATAN SCHOOL

Affiliated to C.B.S.E

SCHOOL HISTORY

SHRI SHIKSHAYATAN SCHOOL

3rd January 1954 saw the genesis of Shri Shikshayatan School. It is the dream child of its founder body Shikshayatan Foundation. Shri Shikshayatan School and Shri Shikshayatan College at 11, Lord Sinha Road, Kolkata-700 071, shares a common campus. Both the institutions earned acclaim over the years to become premier educational institutions in Kolkata, due to the untiring dedication of Late Sitaramji Seksaria and Late Bhagirathmalji Kanoria, two of the esteemed Trustees of the Society.

In the social scenario of 1920, there was a need to popularize the concept of educating young girls, empowering them and meet the growing need of providing quality education at a reasonable cost to girl students. With this vision in mind, a small but progressive school, Marwari Balika Vidyalaya, with classes only till Standard IV, was established at Burrabazar, under the stewardship of Shri Ghanshyamdas Birla and Shri Jugalkishore Birla along with a body of enlightened members of the Rajasthani community settled in Kolkata.

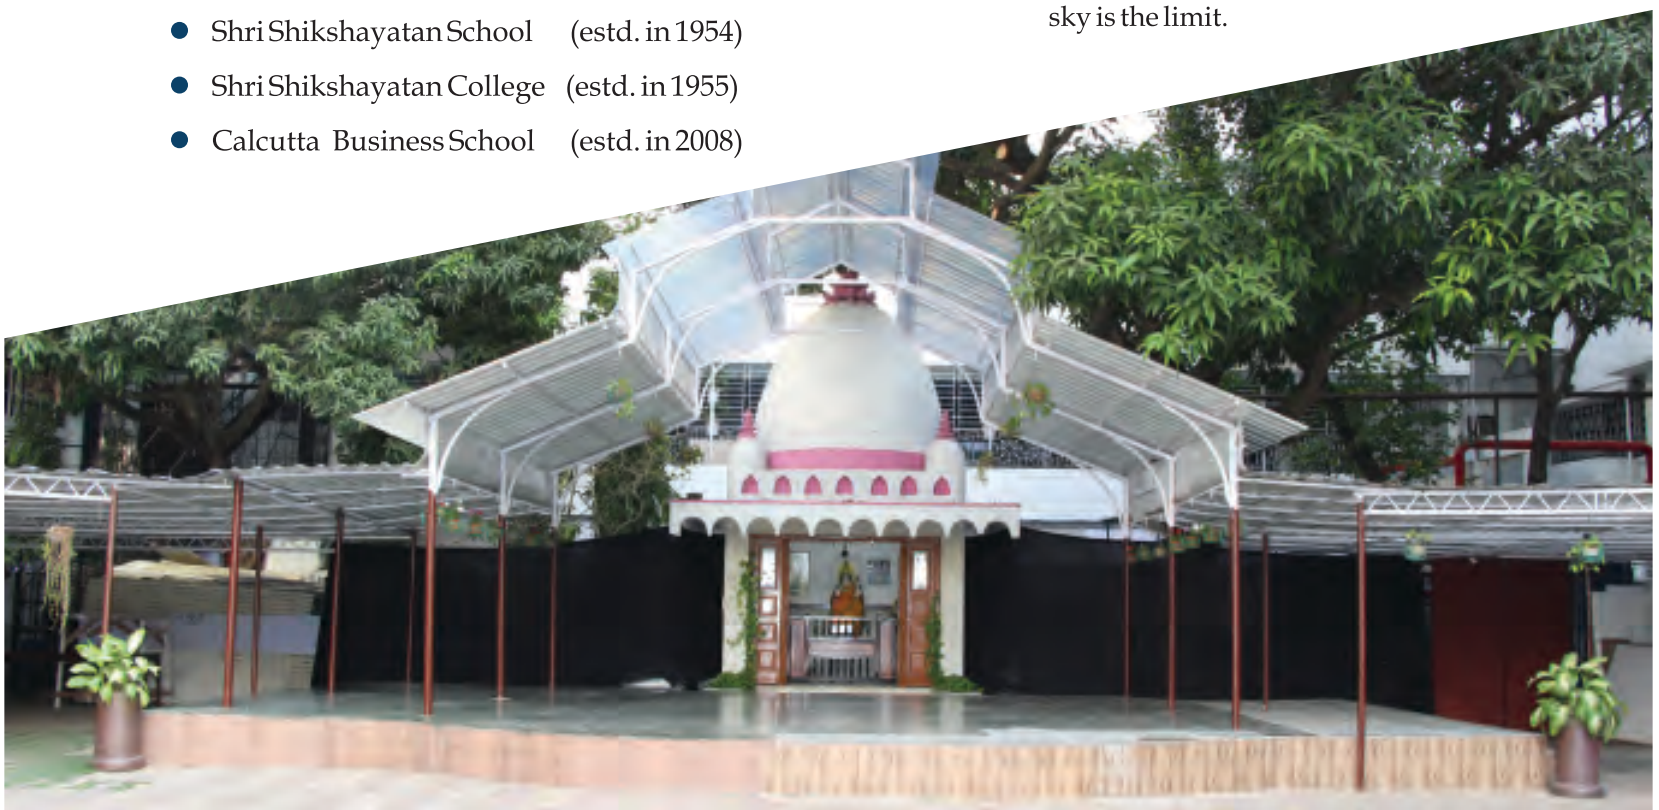

Later, the society was named “Shikshayatan Foundation”, and today, under the aegis of this body are four Educational Institutions:

- Marwari Balika Vidyalaya (estd. in 1920)
- Shri Shikshayatan School (estd. in 1954)
- Shri Shikshayatan College (estd. in 1955)
- Calcutta Business School (estd. in 2008)

SCHOOL LOGO

A lamp has been placed as our logo “Prajwalito Dyanamay Padeepaha” which means “a lamp of knowledge has been lit and that all may bathe in its sight”. The blue outline is the indication that the sky is the limit.

SCHOOL VISION

To impart value based education to students so that they are competent to handle global challenges.

MOTTO

Tamaso Ma Jyotir Gamaya
(Lead us from darkness to light)

Shri Shikshayatan School is a centre for providing quality education, keeping in mind the rich and diverse heritage of India. The school offers English education to about four thousand students approximately from LKG to Class Twelve under the able guidance of two hundred dedicated faculty members and counsellors. The school is organized into the Junior and Senior Sections.

Over more than six decades, the school has grown in all dimensions as a centre of learning, imparting quality education to its students. It is affiliated to the Central Board of Secondary Education. The scholastic and co-scholastic activities aim at personality development, intellectual growth and enhancement of their skills so that they may become self- dependent and responsible citizens of the global society. Shri Shikshayatan School is committed to develop young learners by imparting them good education, culture and values, so that they can grow up and reap its benefits in various walks of life. The quest for excellence is reflected in the continuous reform process of Shri Shikshayatan School.

Shri Shikshayatan School, a linguistic minority Institution, enjoys protection under Article 30 (1) of the Constitution of India.

FOUR PILLARS OF THE SCHOOL

- Values what is imparted through every day teaching.
- Excellence in all things is striving for perfection.
- Understanding is accepting the oneness of humanity, harbouring love for other human beings and respect for all living things.
- Service to the World goes beyond charity to recognizing service as a way of life, so that when children grow up, they become conscious thinkers and leaders of thought and action.

From the President's Desk

The parent body, Shikshayatan Foundation (formerly named Marwari Balika Vidyalaya), originally established nearly a century ago by my Grand-uncle, Shri J K Birla, is now running four prestigious Institutions in Kolkata.

3rd January 1954 saw the genesis of Shri Shikshayatan School. It is the dream child of its Founder body Shikshayatan Foundation. It is purely a Girls' school. The school has produced many notable alumni over this long period.

The mission of Shri Shikshayatan is to provide students with intellectually informed, hands-on instruction in the practice of an array of basic academics with value education.

I welcome you all to this Institution which has established itself as an excellent institution over the years. It will definitely maintain the standards it has achieved. I wish the school all the very best for the future.

S. K. Birla

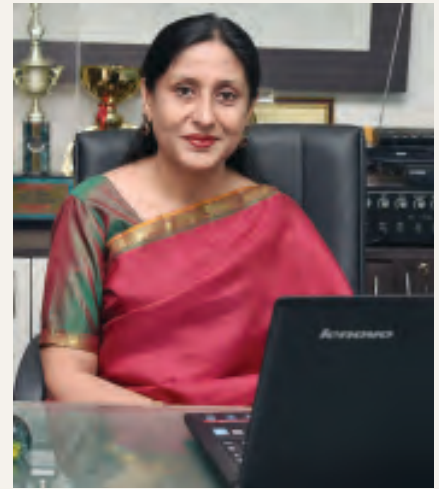

SCHOOL MISSION

The School will :

- Ensure through regular reading habits and collaborative learning, each student achieve intellectual and personal excellence
- Provide quality education with the use of latest technology, that will encourage every student to realize her true potential
- Empower every student, through international exchanges; develop skills to become a sensitive, empathetic, responsible and intellectually productive citizen within the global community.

Message from the Principal's Desk

Shri Shikshayatan School is a centre of learning for girls in Kolkata. It is a progressive, more than six decades old school which aims to enrich and empower young learners by imparting quality education, life skills and values. Keeping in mind the rich and diverse heritage of India, the scholastic and co-scholastic activities are geared to nurture academic excellence.

Well-equipped modern laboratories help to stimulate curiosity, foster creativity and innovation. The two school libraries with over thirty five thousand books help to inculcate reading habits and quest for knowledge. The school promotes core knowledge, communication and collaborative skills and new emerging technologies to make students '*Future ready*' to meet the ever changing demands of the twenty first century.

The school has a wide spectrum of co-curricular activities. Twenty four clubs help to hone diverse talents and imbibe leadership skills. A wide range of Sports and Games activities under professional coaches ensures sound physical health of our students. The students participate in Intra School and Inter School activities at the city, State and national level bringing laurels to the school.

To impart a broad outlook upon life and sensitise students to respect and appreciate diverse ways of life and cultures across the world, we teach foreign languages to our students too. International links have been forged for online exchange of ideas with twelve countries. The school has also partnered with schools in China and France for Student and Teacher Exchange visits which is in sync with the school mission of empowering students to be responsible, empathetic and productive global citizens of the world.

Shri Shikshayatan School offers opportunities to its students at each and every step. Independent and creative thinking is encouraged so that the students inculcate the habit of learning continuously and accept '*problems as challenges and challenges as opportunities in life*'.

All students have strengths and talents and we believe in developing it through partnership with the parents. We prepare our girls to have a bright and decisive career so that they grow as economically independent and confident adults. The goal of our students is '*to strive, to seek, to find and not to yield*'.

The aim of the institution is to help its students gain wisdom and grow intellectually and ethically to serve the nation and society at large.

Sangeeta Tandon

ACADEMIA

The medium of instruction is English. The school follows a system through STEAM which encompasses Science, Technology, Engineering, Art and Mathematics.

SENIOR SECTION

SCHOLASTIC AREAS :

- Middle School (VI to VIII) : Communicative English, Second Language (Hindi/Bengali), Third Language (Hindi, Bengali, French and German,) Science, Mathematics and Social Science.
- Secondary School (IX to X) : CO-SCHOLASTIC AREAS (VI - X) : Communicative English, Second Language (Hindi/Bengali), Science, Mathematics and Social Science.

Message from the Headmistress's Desk

"Lead me from darkness to light..." the eternal prayer is our motto.

Saluting the idea of our founder members of breaking down the barriers to girls' education- we, in the primary Section of Shri Shikshayatan School, design our curriculum to motivate every child to believe that no achievement is impossible. With a wide range of activities, we help them to dream of a better tomorrow by liberating their minds - as we believe that learning is always reciprocal.

With a perfect blend of tech- aided learning through smart- classrooms, language labs, tablet usage and value based education for character building, our extremely competent and dedicated staff – all together, enable the little girl to walk ahead confidently in her search for excellence.

Poushali Mukherjee

ACADEMIA

JUNIOR SECTION

EVALUATION

The objective of assessments is to evaluate the learners in a holistic manner so that the latent competencies are reflected appropriately in their performance. Evaluation would also help in identifying their positive attributes and foster their level of academic excellence through co-scholastic competencies.

Students should reach a satisfactory standard in all subjects.

PRIMARY

A student should have 80% attendance in each term to fulfil the requirement and maintain the standard of the Institution.

Classes III to V will have 4 Formative Assessments (FA) and 2 Summative Assessments (SA). Each term will consist of 2 formative Assessments and 1 Summative Assessment.

SECONDARY

Students should have 75% attendance at the end of each month to fulfil the requirement and maintain the standard of the Institution.

Uniformity of assessments and evaluation pattern is being followed for classes VI to X. Evaluation is conducted in the form of Periodic Assessments/Unit Tests and Block Tests throughout the year for classes VI & XII.

PRIMARY

The children of Pre-primary (LKG to II) learn through multiple activities. Students are assessed based on their day to day performance in the class, oral work, worksheets and through other activities.

JUNIOR

Students of Classes (III to V) are assessed on their reading ,writing and analytical skills on a continuous basis and a block test at the end of two terms.

SECONDARY

From the session 2017-18, the school is remodeled assessment structure as per the CBSE specification.

SENIOR SECONDARY

Students of Senior Secondary (XI & XII) are assessed through unit tests, practical and term examinations.

ACADEMIC TIERS

Classes	Age Group
LKG	3+
UKG	4+
Class I	5+
Class II	6+
Class III	7+
Class IV	8+
Class V	9+

SCHOOL CALENDAR

The academic session begins in April and ends in March. There are three vacations during this Period.

- Summer Vacation:
Approximately four weeks in May and June.
- Puja Vacation:
Approximately four weeks.
- Winter Vacation:
Approximately one week in December.

HOUSE SYSTEM

Houses have been named after stars who are none other than the students of the school.

- House system is used for healthy competition and socialization.
- Best house for the year is awarded the trophy.

FACILITIES

The School provides the students with state-of-the-art facilities, so that they can avail every opportunity to cultivate and nurture their talents.

The school has always been upholding the spirit-“we care for our environment”. Some of the facilities made available speaks for itself of the school practises what it preaches to motivate student to care for their environment.

The facilities (both existing and upcoming) can be broadly divided into the following categories:-

SOLAR ENERGY

Solar Plants are installed and the entire school campus is lit up using eco-friendly LED lights of a reputed international brand which emit a very bright but safe light and also saves power.

Preserve trees and fight pollution :- the School believes in the philosophy that Go green, Prevent cutting of trees, Pollution free environment are the needs of the day. The beautifully well maintained landscaped garden with beautiful flowers and vegetable garden inside the school campus adds to the beauty of the school.

TECHNOLOGY@CAMPUS

The innovations and improvements in Science and technology are aimed at improving the quality of human life and to improve the quality of education imparted in schools. The school governing body and the founders believe in utilizing modern cutting-edge technology to provide outstanding teaching facilities to the students.

- The School is considered to be a smart school with the latest technological aids and equipments.
- All the classrooms, infotech centres, labs, libraries, staff rooms have the latest audio-visual teaching aids and computers with high-speed internet connection.
- Smartboards are also installed in the classrooms and laboratories.
- We have round-the-clock internet facility for the students and staff through 30 Mbps leased line connection. The school has more than sufficient computers for academic and administrative use.
- Parents are constantly updated about their wards through SMS, E-mail, phone, school website, etc.
- Each of the block has a central public address system.
- All the departments are automated through school management software.
- The school also has an e-Pathshala by means of which multimedia contents for all subjects are made available to classrooms through a centrally hosted content server.

SMART CLASSROOMS

The smart classrooms provide a conducive and comfortable environment. All the classrooms are equipped with audio-visual digital facilities like interactive smart boards, projectors, computers and laptops. The classrooms of the School are smart in the true sense of the word. Our Smart Classroom solution is based on interactive, rich multimedia content-enabled education system which illuminates abstract & difficult concepts with crystal clarity. It bridges the learning gaps between teacher & students and helps them realize their true potential.

TEACHING THROUGH TABLET

Tablets are being used in classes which shift the classroom experience from the sage-on-a-stage approach to a more collaborative environment. Students learn life skills through technology. E-learning accommodates different learning styles and facilitates learning through a variety of activities. It has transformed classroom teaching into a stimulating experience where lessons come alive and contributes to sharpen and enhance the psychological aspect of a student's sensory system. This visual aid caters to the learners' thirst for information pertinent to their cognitive ability as knowledge procured through first hand experience is far more effective than theoretical knowledge.

LABORATORIES

The School has well-equipped Science laboratories with full safety measures and all necessary apparatus for Biology, Chemistry and Physics labs are equipped with adequate facilities and equipments for conducting experiments under the able guidance of teachers and the lab in charge.

The School also houses fully equipped and modern Mathematics Lab and five Computer Laboratories, where students are introduced to an altogether different realm of designing, building of graphics and cutting and fixing of puzzles to prove many a mathematical equation. At Computer Labs students have free access to handle and use computers right from the Primary level.

Geography Lab is well equipped. Students are taught with the help of various software and satellite pictures. The lab is equipped with various survey instruments, microscopes, equipments like projector, document readers etc.

The Psychology lab is equipped with audio and video devices. It also has a large collection of psychological tests.

Nutrition and Language labs are also there with the latest facilities to cater to the requirements.

RESOURCE CENTRE

The School has well-stocked AC Libraries with reference books, fictions and periodicals for the senior school and a separate library for the junior school. The libraries houses a wide variety of books and journals. They serves as a store house of information related to prescribed text books and beyond. Its purpose is to inculcate reading habit amongst the students.

Renowned works of Fiction, Classics, Self Help Books, Science & Technology Periodicals, Journals related to history, culture, exploration along with selected local and national dailies are housed here. All articles in the library are carefully scanned and selected to ensure the correct development of the students.

AUDITORIUM

The Air Conditioned Auditorium named “Bhuwalka Hall” has modern amenities and the latest sound system. All intra and interschool competitions are held in the school auditorium. It is a pride that the auditorium has a seating capacity of 450, comfortable chairs, and a fairly large stage to hold programmes.

MULTIPURPOSE HALL

A well decorated AC Multipurpose Hall with wooden flooring and audio visual.

KALABHAVAN

The Cultural Unit where Music, Dance, Tabla, Art, Handicraft and Painting classes are held for students in different rooms namely Sargam, Nrityam, Mridangam, Hastakala and Chitrakala.

AMPHITHEATRE

The school has an open stage where the morning Assembly and various other performances are held. Over three thousand people can be accommodated to view the programme.

CONFERENCE HALL

There are two conference rooms on the ground floor which are specially furnished and where all important meeting take place.

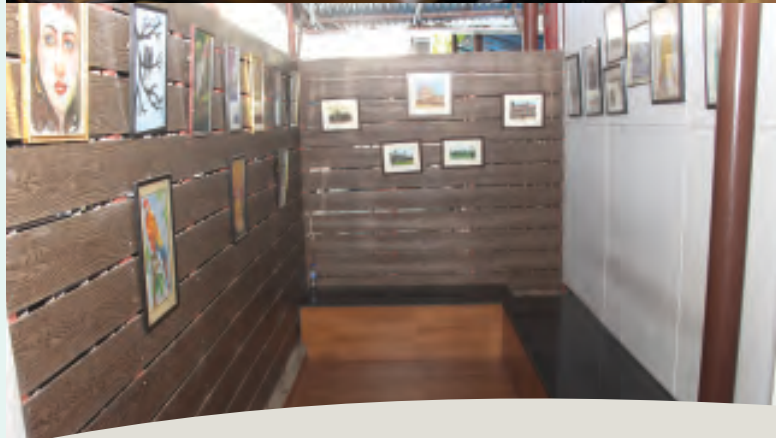

SPORTS & GAMES

Sports and games curriculum is an integral and compulsory part of the education process. Sports help to build character and teach the importance of discipline in life. It inculcates a respect for rules and allows the participants to learn the value of self-control.

A large part of the campus is dedicated to sports activities – rugby, athletics, badminton, carrom board, ludo, chess, basketball, table tennis, martial arts, meditation and yoga. To bring out the child's maximum potential, we have professionally trained coaches for all sporting & games activities.

SWIMMING POOL

The School has a well maintained Swimming Pool where students are trained by expert coaches. Swimming Competitions are organized every year for the students.

HEALTH

The two infirmaries of the school are monitored by trained nurses. The school pays special attention to the health and physical well being of the students. The infirmaries are well equipped with oxygen kit. Students who suddenly fall ill or are accidentally injured in the school campus seek refuge here and are nursed and given first aid. The dental health and eye check-up of students is also taken care of from time to time. Medical Check-up of the students are carried out and records are maintained.

WELLNESS CENTRE

Three full time Counsellors and two special educators are there to cater to our students' requirements and understand their emotional needs to aid and assist pupils with learning challenges and special needs.

The school counselors are trained in vocational counseling methodology and provide continuous guidance to the students and parents.

CAREER COUNSELING

Great emphasis is laid on the important aspect of guidance to enable every student to make the right choice. This Cell's primary objective is to serve the students with appropriate guidance to establish linkage with the world of work and locate career and academic opportunities. It also gives information on Professional Development Courses and opportunities of higher studies in India and abroad. Extensive Career Counselling and career guidance programmes are organized where prominent personalities from various walks of life and renowned organizations, conduct programmes on Career Guidance and Counseling at different levels.

SAFETY & SECURITY

Strictly adhering to the Governmental regulation of Incorporation of Anti-Fire measures, arrangement of the fire fighting devices at strategic points in the school building has been arranged. There are pump house and a hydrant system installed on the surface for fire fighting. Teachers, students and administrative personnel receive instructions on fire-fighting and prompt evacuation during an emergency. Drills are carried out at regular intervals to train students to cope with any crisis. In campus safety Drill is conducted to prepare the students & all staff members for eventualities.

There are latest Fire Fighting Measures with emergency Entry & Exit and 24 hours security service.

CCTVs are installed in all the main areas of the school building in order to ensure safety and security. It also helps in controlling and maintaining discipline.

Person employed by the school goes through a process of screening which includes verification of documents and other security checks during entry and exit.

Parent-teacher-students committee is in place to address the safety needs of the students and regular feedback is invited from the parents.

The school provides drinking water which is periodically tested and safe for consumption.

The school is secured by boundary wall of sufficient height. The school has four gates which allow quick evacuation.

The classrooms are equipped with furniture with rounded edges specially tailored to prevent injuries and accidents. Furthermore, flooring has anti-skid tiles to prevent injuries from falling. The playground has artificial grass which makes it safer for children during games/sports events.

The Students using laboratories are provided with protective eye-ware (glasses) and lab-coats.

Guidelines issued by HHRD and CBSE from time to time being followed regularly and any violation/lapse with regard to safety and wellbeing of children in school campus shall be dealt by "Complaint Committee" as set out in the relevance act/rules, policy, if behavior/condit falls within the definition of POSCO (Protection of Children from Sexual offence) Act, 2012.

CAFETERIA

Canteen facility is available to the students where hygienic and Quality food is served at reasonable rates.

SCHOLARSHIP & FREESHIP

Scholarships are awarded to deserving candidates with proven records from the Management. Granting the scholarships is the management discretion and their decision is final.

On every Foundation day of the school the management organizes to felicitate teachers and staff for their contribution to school.

Free-ship is given to the needy students on the basis of assessment made by teachers and management for their growth and development.

KIDS PARADISE

A beautiful Flower Garden and an Aquarium are part of the School building for enhancing the aesthetics of the school. In house play area for the pre primary section is no less than a paradise.

ACTIVITIES

It is compulsory for every student to take part in the co-curricular activities of the school as a part of their physical training and club activities and this makes the educational program wholesome and comprehensive. Activities like karate, games and sports, literary activities like quiz, music, dance, dramatics, debate, public speaking, elocution and social service, etc. are some common programs of our school. No student will be allowed to abstain from physical exercise classes without doctor's certificate.

Secondary School Teachers

Primary School Teachers

FACULTY

The school prides itself in processing highly qualified, techno-savvy, deeply committed teachers, who are alert to the needs of their pupils and render all assistance through technology aided classes. Our faculty has won many awards for excellence in education.

Excellence in academics is supported by a large group of qualified and trained teachers. Workshops and training sessions are arranged regularly for professional development of teachers.

The teachers give their best to shape up the students' life in the finest possible way. There are departments for every subject with departmental heads working together to bring in the best results. Teaching learning process is according to the need of the students. Each department facilitates the quality and standard of teaching through discussion and collaboration among the departmental members.
